James Morris is not a new face around Middlesex County. He has worked at Wilton Cottage doing heavy duty landscaping for years and participates throughout the county, using his musical talents in community outreach. James came to

DYC with an interest in long term employment and a desire to learn the marine trades through additional education. He has jumped in with both feet and really contributes to the DYC team. # DYC No Mow Mariner's Meadow

SUSANNAH ROSE RUNS IN DYC MEADOW

## For Boaters, Grandkids & Wild Life Visitors

To some it looks like a wild grass yard where you can read inspirational quotes on little signs...to deer it looks like 'McDonald's'....to our grand daughter, Susannah, it was a place to run....

Deltaville Yachting Center was recognized by Virginia Institute of Marine Science in 'Smart Harbors', as innovative for trying a "No Mow Meadow". We thank our boaters for their support of this effort to provide additional ground filter, area for native grasses and wild habitat.

The Southside Sentinel posted the following article—learn about this environmental effort:

## Deltaville Shuttle Bus 'Osprey'

Ride Again in 2017

OSPREY SHUTTLE BUS FOR DELTAVILLE

Boaters and locals enjoyed the Summer Shuttle Bus which ran from Memorial Day to Labor Day each weekend in 2016. The great news is that in 2017 this wonderful addition to Deltaville WILL CONTINUE! Local businesses and community groups provided financial support for this this local 1 hour loop public transportation around Deltaville, allowing riders to pay only .50 cents per ride. With 20 stops in addition to 'flag stops' wherever you needed, this service has been well used. We hope for a slightly expanded schedule in 2017, so be sure to GET ONBOARD THE 'OSPREY' DELTAVILLE SHUTTLE BUS next summer when you come to DYC.

# Middlesex County Boat Tax

After a year of consideration, Middlesex County Board of Supervisors decided at their October 4, 2016 meeting, not to change the current rate of personal property tax for boats permanently kept in Middlesex County (current rate = .98 x \$100 lowest accessed BUC value). Come to DYC for specific service needs, non-permanent storage or to list your boat for sale with Chesapeake Yacht Sales brokerage, with your boat in Middlesex County temporarily and specifically for these purposes, and your boat is NOT considered permanently kept here. You will not be expected to pay Middlesex personal property tax on a vessel not permanently kept in the county. Middlesex County officials are having difficulty knowing where the lost county funds would be found to support such a reduction or elimination. As owners of Deltaville Yachting Center, we are thankful for continued boaters' business for service, slips, boatel and yacht brokerage. We will continue to attend Board of Supervisor Meetings, as well as have individual meetings with each of them. We will send an email update if we have future news to report regarding the reduction or elimination of personal property tax on boats permanently kept in Middlesex County. To receive our email updates please join our email list on [www.dycboat.com](http://www.dycboat.com).

Thank you for loving the waters and boating environment in Deltaville.

Thank you for your continued business & support,
