Boats Make People Happy

“Sea Beagle” One Boat, Two Happy Couples

NEW OWNERS

We have noticed that boats really do make people happy. The saying ‘even bad day on the boat is better than a good day at the office’ is evidenced daily at Deltaville Yachting Center.

However, the saying, ‘boaters are happiest on the day they buy a boat and the day they sell it’, is not always true. Because we help boaters buy and sell their vessels, we also share the sadness on the day that special boat is no longer theirs.

“Sea Beagle”, a wonderful 30’ Mainship Rum Runner, was proudly owned and fished by Mary and Mike W. Their two friendly beagles were eager to join the fun....thus the boat’s name. Life changes helped the couple make a difficult decision to sell “Sea Beagle”. Chesapeake Yacht brokers, Carl Hawkins and Cori Williams, worked together to sell the boat. Mary and Mike were sad to say good bye to Deltaville Yachting Center, the fishing lifestyle and their beloved boat.

Hugs and tears were shared in the DYC office.

Then....enter smiling new owners of “Sea Beagle”, Albert and Charlene C. to take the boat on its next adventure making people happy. We love being at Deltaville Yachting Center watching how boats affect people.

John Barber Shares With Deltaville

Deltaville Maritime Museum Greets Hundreds

John Barber is known for his nautical paintings which largely focus on the Chesapeake Bay. Mr. Barber generously agreed to help coordinate an exhibit of his original artwork at the Deltaville Maritime Museum, in an effort to raise funds for the museum’s newly rebuilt facility.

Hundreds of people attending the John Barber exhibit between June 14 – October 12, viewed the largest collection of his originals ever assembled in one place, over 50 paintings. Thank you, John Barber, for your kindness and your talent.

DYC Shoreline Clean Up

Clean Virginia Waterways

Each year for the last 12 years, Deltaville Yachting Center has participated in the Clean Virginia Waterways Cleanup, which is part of the International Coastal Cleanup. This year is the 20th year of the International Coastal Cleanup in Virginia. Over the years, statewide volunteers have removed more than 3.3 million pounds of litter from Virginia’s waterways and beaches.

CONTINUED ON PAGE 5

HAPPY SHORELINE

On September 27th, DYC coordinated a cleanup of the Broad Creek shoreline from the DYC dinghy rack to the fish cleaning station. The living shoreline growth and stabilization is looking great between C & D dock. Debris was at a minimum this year, thanks to wonderful DYC boaters.

In 2013 the top 3 litter items found in Virginia waterways were 1. Cigarette butts 2. Plastic Beverage Bottles 3. Candy/Chips Wrappers. At DYC the top 3 litter items found this year were 1. Plastic food wrappers 2. Plastic bottle caps 3. latex balloons.

Valuable information about the amounts and types of litter found is shared with International Coastal Cleanup. The data is used to combat sources of litter by identifying trends. Data is shared with many interested organizations and groups, including the U.S. Coast Guard, state parks, the press, local governments and others who are interesting in preventing litter.

The litter we clean up at DYC helps wild animals and their habitats and improves safety for humans. The data we collect will help in the future as educational programs (both in ads and classrooms) can be targeted based on the trends.

Catalina 315 Seatrial

From 1990 Catalina 30 to 2014 Catalina 315

Catalina owners love their sail boats. A beautiful 1990 Catalina 30 was repowered and refitted for continued use, until the owner, Dr. Braun, took a seatrial on Chesapeake Yacht Sales' 2014 Catalina 315. See the smiling face of a 2014 Catalina 315 owner, at Deltaville Yachting Center's Slip D 12.

BLUEGRASS BAND, RECKLESSLY ABANDONED AT MARITIME MUSEUM

Welcome New DYC Crew Members

Deltaville Yachting Center is happy to welcome aboard Tony Lumanog and Clint Almarode as marine technicians and Janet Swann Shook as administrative assistant.

Tony Lumanog

Tony comes to DYC with a background in property maintenance and fork lift operation. You will see him checking safety equipment at DYC as well as helping boatel customers. Tony has begun training on basic marine technician skills involving marine installations.

Clint Almarode is an experienced marine technician, coming to DYC with years of experience as a lead technician at Zimmerman Marine and machine specialist at Canon Virginia. Clint is ABYC certified in both Marine Systems and Marine Electrical. Clint is also Hamilton Jet and Mastervolt MasterBus certified.

Clint Almarode

Janet Swann Shook joined the DYC crew as administrative assistant for Chesapeake Yacht Sales and Deltaville Yachting Center. You will hear Janet's friendly voice answer the phone when you call the marina. Janet loves living in Deltaville and brings years

Janet Shook

of professional experience with a background in administration in both educational and banking environments.

Please introduce yourself to Tony, Clint and Janet when you visit the marina. These three great additions join the friendly crew of Deltaville Yachting Center who help with your boating needs as you sell, buy, service, store and enjoy your vessel.

Christmas In Deltaville

Even if you live far away, Christmas in Deltaville can be celebrated early with a trip down 'small town lane' on December 12th. Come to the Deltaville Community Association for homemade cookies and hot chocolate.

For a small per person fee, you can climb aboard a hay filled wagon for a ride slowly down the luminary lit Lover's Lane to the town dock, where you will board a Deltaville work boat to cruise Jackson Creek. Docks and houses along Jackson Creek put on the lights and sites of Christmas for your enjoyment. Before or after your Deltaville Christmas Creek Cruise, be sure to visit the 'shops of Deltaville' for what is fondly called 'Deltaville Walk About'. For more information about pre purchasing tickets visit www.deltavilleva.com or Nauti Nell's Gift Shop www.nautinell.com.

We Are Selling Boats!

Chesapeake Yacht Sales Enjoys Boaters

Working together and using every promotional idea we can think of, Chesapeake Yacht Sales is selling both new and used power and sail boats. The Annapolis boat shows were active and successful in early October. On October 25th Chesapeake Yacht Sales hosted a Fall Open House and Boat Show at Deltaville Yachting Center with pulled pork BBQ sandwiches and boats open for inspection. CYS Yacht Brokers, Carl Hawkins and Cori Williams meet, greet and show boats to hundreds of boaters each year. CYS brokers find the right boat for boaters by looking all over the country and coordinating the purchase. Your boat could be the next one we find or the next one we sell. Give Chesapeake Yacht Sales a call at 804-776-9898 or email us at info@dycboat.com.

JANET SHOOK, LAURA POWELL, CORI WILLIAMS, CARL HAWKINS, LEW & ONNA GRIMM ABOARD 'MATTAPOISETT'

The Launch and Seatrial of a Dream

Here is a family with a well planned dream which came true. Sean and Lourdes N., along with their charming daughters, Ashling and Brittany, started chartering boats, both power and sail, many years ago. The family also started saving and dreaming of owning their own boat...large enough for long term cruising.

This time last year, Sean and Lourdes began talking to CYC broker Cori Williams when they visited the U.S. Sail Boat Show in Annapolis, MD. After months of thoughtful discussions about options and equipment, a 2015 Catalina 445 was ordered and the customized production began on a beautifully laid out sailboat.

[CLICK HERE 445 VIDEO TOUR](#)

The 'new baby' arrived at NYC in mid July and commissioning began on all systems, rigging, canvas and electronics. The NYC Service Department was fully engaged throughout the process.

On August 28th and 29th, Sean and Lourdes completed two days of training with NYC marine technician, Eddie Gibson, and took the helm of their 'dream', S/V Mattapoissett. A lovely christening ceremony was held onboard in September and the real adventure began.

Call To Schedule Winterization Before It Is Too Cold

Reserve A Spot in DYC Boat Yard For Winter Storage

Heaters on unattended boats are dangerous. Light bulbs, used inside boats as a heat source, cause fires. Electricity at the dock in winter is 'iffy' at best, because heavy snow and ice tend to cause power outages.

The answer is WINTERIZE ALL YOUR BOAT SYSTEMS.

Deltaville Yachting Center's Service Department is happy to help, but always works in the order of signed work orders. The sooner you get your work order 'in' the system, the sooner your winterization will take place. You can give a preferred date to accommodate fishing season, but realize that you are making that choice and that the weather is unpredictable.

Contact Laura Powell, DYC Service Administrator, laura@dycboat.com or 804-776-9898 to schedule your boatyard storage, haul out and winterization.

For more details on what Boat U.S. has to share about Winter Boat Damage visit www.BoatUS.com/Magazine and read 'Your Engine's Chillin'.
